PLATTEKILL MOUNTAIN

New Reciprocal Mountain For 2025-26 **NEW**

SkiCNY.com is excited to announce a new partnership with Plattekill Mountain in Roxbury, NY. Located in the heart of the Catskill Mountain’s famous snow-belt, it’s an easy 2-1/4 hour drive from either Song or Labrador.

Self described as the “last family-run ski area in the Catskills”, Plattekill, similar to Song & Labrador, is “fiercely and proudly independent”.

Plattekill has 4 lifts serving 41 trails with 1,100 feet of vertical. They are open Friday through Sundays, and Holidays from 8:15 am to 4:15 pm.

“Full, unrestricted season pass holders” will receive a 50% discount on non-holiday Fridays, and a 30% discount on weekends and holidays. This discount will apply to “All Day” lift tickets. Limit, one lift ticket per day per passholder. You can check conditions and hours at:

PLATTEKILL.com

Now you get THREE hometown, local, throwback family ski resorts with some really great stuff; beginner to expert terrain, gobs of snow, man-made or otherwise, superior grooming, moderate to no lift lines, skilled ski and snowboard instruction, and great restaurants.

Thanks To Our Men And Women In Uniform

Song and Labrador Mountains’ management sincerely thanks our members of the National Ski Patrol who, day in and day out, are there to help make the sport of skiing and snowboarding safe for everyone involved.

Your members and your organization continue to unselfishly provide the skiing and snowboarding public with expert emergency care, rescue, and education.

Management further encourages those enjoying the slopes and trails of the Song Mountain and Labrador Mountain to lend your support and understanding to our diligent ski patrol.
