VOLUNTEERS ARE NEEDED!

Hit the Slopes. Change a Life.

Are you an experienced skier looking for a meaningful way to give back?

Join the **Indera & Ski** volunteer team and help people of all abilities experience the thrill, freedom, and confidence that skiing can bring.

At **Indera & Ski**, we provide adaptive ski lessons and recreational opportunities for children and adults with disabilities at **Labrador Mountain in Truxton, NY**. Using specialized adaptive equipment and a dedicated team of trained volunteers, we make it possible for participants of all ages and abilities to enjoy the slopes.

Our lessons are led by experienced instructors, including **PSIA-certified (Professional Ski Instructors of America) instructors**, and supported by enthusiastic volunteers who receive comprehensive training and ongoing support.

Complimentary equipment rentals are available to volunteers who need them.
As a thank you for your time, volunteers receive a complimentary lift pass on the day they volunteer.

Volunteer Applications*:

Indera & Ski Volunteer Application - Season 2027 – Fill out form

Anyone interested in learning more about the program should contact Jen Barkley at JBarkley@contactefr.org.
